CTO interns will participate in various community events throughout the summer, including, but not limited to, political education forums, citizenship workshops, voter registration drives, and social activities.

About the CTO Internship

The CTO Summer Internship was established in 2012 for OCA-GLA by Daniel and Jeri Okamoto Floyd in honor of Jeri's mother, Chiyo Tanaka Okamoto. Chiyo Okamoto faced much discrimination in her lifetime as an Asian American woman in Wyoming, but emerged to be an inspiration to her daughter, Jeri, as well as many others, through her public service. This year commemorates the 24th anniversary of her passing. The mission of the CTO internship is to encourage the next generation of Asian Pacific American leaders to serve their communities with the same grace and compassion in the spirit and memory of Chiyo Tanaka Okamoto.
